

Annual General Meeting 2026

Cycles of Care, Creativity & Community

Saturday 6 June | 10am–12.30pm | Forgan Arts Centre

You are warmly invited to join us for this year's Annual General Meeting, a community gathering where you can participate in shaping the future of Forgan Arts Centre.

This isn't a traditional AGM, instead it's an opportunity to be in-conversation with your community, make new connections and share your ideas. There will be time to speak with the team, tour the gardens and grounds, and learn more about our methodology, An Arts Centre as a Garden.

Together we'll reflect on a remarkable year of artist residencies, environmental action, creative learning and community projects from Gardening for the Future and Alternative (art) School to our seasonal festivals, care programmes and climate initiatives.

Inspired by the theme of "Cycles", the event will explore repair, reuse, intergenerational exchange and collective care connecting to the cycling and climate workshop taking place immediately afterwards as part of the Fife Climate Festival.

Whether you are a long-standing member, volunteer, participant, neighbour or first-time visitor, we'd love you to be part of the conversation!

Children are welcome and creative activities will be available throughout the morning.

Tea, coffee and pastries provided!

Membership

Forgan Arts Centre is a membership organisation and membership is free. Ordinary Members living within the Tay Bridgehead Ward are eligible to vote at the AGM and will receive a voting token on arrival.

If you would like to become a member, please contact us or speak to a member of staff on the day.

Annual General Meeting 2026
